

About Conscious Fashion Fair:

Conscious Fashion Fair (COFF) is a Danish association whose mission is the promotion of brands with a strong focus on sustainability and development of the Danish sustainable fashion industry. By uplifting responsible brands through an annual fashion fair COFF aims to be the link between responsible fashion brands and consumers who wish to shop sustainable fashion. Through a network of responsible brands COFF aims to create awareness of responsible and sustainable fashion alternatives and be Europe's first independent fashion fair and the most nationally recognized sustainable fashion event.
